My name is Mark Smith, and I work in Seattle, Washington. Seattle is a big city with 700,000 people. It's rainy here, and the city has an interesting history. I'm a receptionist in an office in downtown Seattle. My office is in a nice part of the city. It's near a big park.

My home's not in Seattle. It's in Kenmore. Kenmore is a small town near Seattle with about 20,000 people. It's a nice town with a park, two supermarkets, and a hotel. I'm married to Emily, and we have two children.

Our house is near downtown Kenmore. It's a small house, and it's new. It's not near the park, but it is near one of the supermarkets. I'm very happy here. I have a lot of friends in Kenmore and in Seattle, and my job isn't boring!

Hi Marisol,

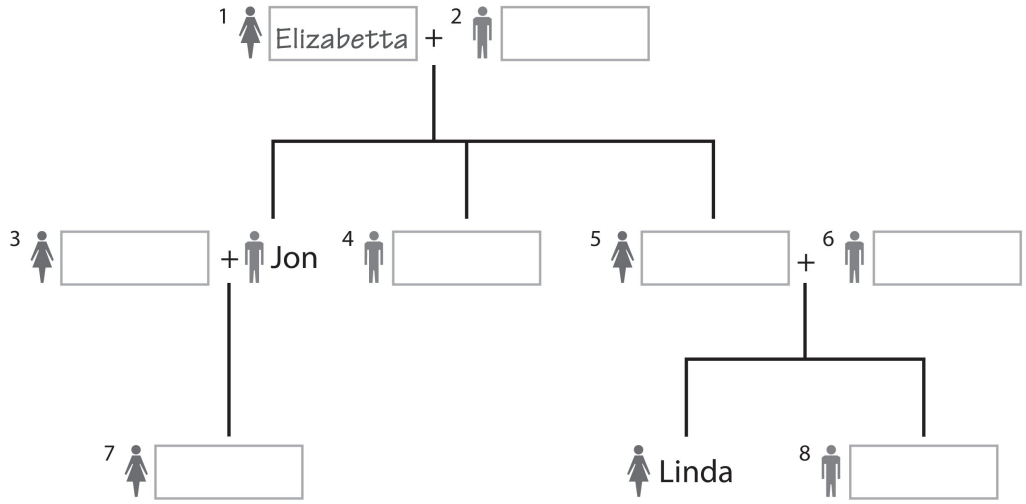

Thanks for your email. I love the photos of your family. You have a big family! My family is small. Here's a photo of us on vacation.

I'm with my husband, Greg, our daughter, Linda, and our son, Jeff. My parents, Tom and Elizabetta, are in the photo, too. My dad is American. He's from San Francisco, but my mother comes from Warsaw in Poland. Greg and I live in Washington with our children. Greg works in an office, and I'm a teacher (as you know). Greg's parents live in Washington, too, so we see them one or two days a week, but my mom and dad are in California. We usually see them during the summer.

I have two brothers, Daniel and Jon. They're not in the photo. Daniel is an English teacher in Mexico City, and Jon lives in Kyoto, in Japan. Jon's wife, Keiko, is Japanese, and they have a daughter. Her name's Rei. We sometimes see them during the summer. Rei is five, and she speaks Japanese and English very well.

Write soon and tell me more about your life in Guatemala.

College Life

College is expensive in the U.S., and students also need to pay for textbooks, food, and a place to live. A lot of students work to get extra money. Is it a good idea?

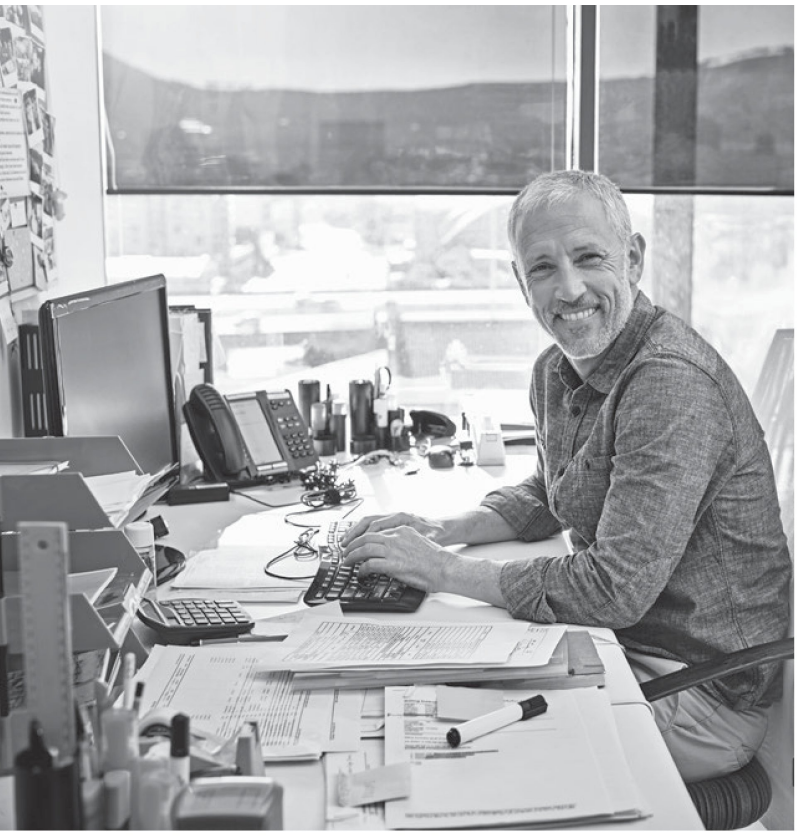

Let's ask a student.

Claudia, 23

I'm a student in New York, but I'm from Colorado. I love my classes, but New York is expensive, so I work in a movie theater in the evenings and on Saturdays.

My day usually starts at 7:45 a.m. when I get up and have breakfast. Then I go to my classes at the university. They start at 9:00 a.m. and finish at 12:30 p.m. There aren't any classes in the afternoon, so I study in the university library. I have something to eat in the student cafeteria, and I walk to the movie theater. My working hours are 6:00 p.m. to 11:30 p.m. from Monday to Friday and 1:30 p.m. to 11:30 p.m. on Saturdays. Sunday is my free day, and I play tennis or go to a museum with my friends.

My job is OK, but I don't want to work six days a week. I get home late, and I only get six or seven hours' sleep. Sometimes, I feel very tired in my classes, and I want to sleep. That isn't good.

Reading and listening extension

1 READING

a Read the article and match topics a–d to paragraphs 1–4.

a ☐ What I wear when I'm not at work
b ☐ Where I buy my clothes
c ☐ What I wear for special occasions
d ☐ My work clothes

b Read the article again. Are the sentences true or false?

1 Martin's uniform is blue.
2 The police officers' yellow jackets are useful.
3 Martin's friends like fashionable clothes.
4 His favorite color is brown.
5 He has an expensive suit for special events.
6 He usually wears a dark gray shirt for special events.
7 H&M is in the shopping mall.
8 Luciana's favorite store is the same as Martin's.

c Choose someone you know. Write a description of their clothes. Think about these questions:

- What clothes do they wear at different times of the day and different days of the week?
- What are their favorite colors?
- Where do they buy their clothes?

MY CLOTHES by Martin Lopez

1 I don't have to worry about my work clothes. I'm a police officer, and I have a uniform. I like the uniform. We wear a dark blue jacket, dark blue pants, and a white shirt. We also have big yellow police jackets to wear when we're outside on the street. These jackets are very useful because people can see that we are police officers.

2 I'm not very interested in fashion. My wife Luciana says that my clothes are boring, but most of my friends' clothes are the same as mine! When I'm not at work, I like to wear comfortable clothes, for example, jeans and a T-shirt or a sweater. I don't really have a favorite color, but I try not to wear dark blue because it's the color of my uniform. My favorite item of clothing is my old brown jacket.

3 I don't have many expensive clothes, but sometimes I go to special events, for example, when friends get married, and I need to wear something nice. I have a suit by the designer Tom Ford. It has dark gray pants and a matching jacket. I usually wear this with a white shirt and tie.

4 I usually go shopping with Luciana. We both like to go to the shopping mall downtown. It has a lot of stores, and it's easy to find things. My favorite store there is H&M. The clothes at H&M are usually comfortable, and they aren't very expensive. I buy all my clothes there, but Luciana's favorite store is Urban Outfitters.

FRIDAY JAN 9

I had a bad day at work. The office was really busy. I was so happy to get home. My roommates, Mel and Amy, wanted me to go to the theater with them, but I was tired. They went out, but I watched an old movie on TV in my bedroom. It had a great story, but I fell asleep and don't know how it ended.

SUNDAY JAN 11

I got up late and took a long bath. Then I watched a show about Indian food. I was hungry after the show, so I made a grilled cheese sandwich – my favorite! I met Angela in town for coffee, and then we went shopping. I bought a suitcase for our vacation to St. Maarten, and Angela got some books. At 6:00, we met Mel and Amy for pizza. We were in the restaurant until 10:00!

MONDAY JAN 12

I got up at 4:00 this morning. I was really tired, but our plane to St. Maarten was at 6:30. I went to the airport in a taxi. Angela was already there with the tickets. It only took three hours to travel from Miami to St. Maarten. We had breakfast on the plane. Then Angela read one of her new books, and I looked out the window. We took a tour of the island today, and now we're at the pool. It's amazing!

Four years ago, I went to Los Angeles for a job interview. Train tickets were expensive, so I went by bus. The trip took about ten hours. I didn't have anything to read, so I started talking to the woman in the seat next to me. Her name was Alma. We got married last year, and now we have a baby boy!

The man in the apartment next door said she was on vacation! I took a taxi back to the airport, but it started to snow. There were no flights, so I slept at the airport. It was awful!

Lucio, 20

For our vacation, my friend and I decided to spend a week at the beach. We found a nice hotel online and paid for our room. It was a long drive, and we arrived late at night. LAST NIGHT'S TV

People's Lives is a popular TV show on Channel 12. The show helps people find out about their family history.

Last night, the show was about Fiona Davies and her grandmother, Beth. Fiona didn't know her grandmother well because Beth died when Fiona was two years old. *People's Lives* found out that Beth was from Albany, New York. She was born there in 1922 and had six brothers and sisters. The family was poor, and Beth went to New York City when she was 17. She got a job in a hospital there.

Beth worked at the hospital for six years. Then she studied in college to be a doctor. She was 32 when she finished college and 33 when she married Fiona's grandfather, James. James was a businessman from New Hampshire.

Beth and James were very happy for three years and they had a son, but then James died.

Beth left the U.S. and went to Haiti on a ship with her son. She worked as a doctor there and started a hospital for women. In 1972, Beth returned to Albany to teach at a college there. She taught students who wanted to be doctors. Beth died in Albany in 1984.

It was an interesting show, and Fiona was very happy to know more about her grandmother. Next week, it is Martín Hernández's turn to find out about his grandparents. Don't forget to watch!

NEW YEAR, NEW ME
by Matt Simpson

1 Today is January 1st – a good day to start my new life! Some people talk about changing their lives, but they don't do anything. I'm not going to talk about changing my life. I have a list of things I want to do, and I'm going to do all of them.

2 What am I going to do first? Well, I usually get up, go to work, come home, have dinner, and then watch TV until it's time to go to bed. I never get any exercise. Starting tomorrow, I'm going to get up early every day and go for a run. I'm also going to use the swimming pool at the gym after work.

3 I'm not going to stay at home every evening. I'm going to go online to get some information about language courses. I'm interested in Spanish. I also want to take a cooking class. I don't know how to cook, so I usually eat at restaurants or buy pizza. On the weekend, I go to my mom's house for meals!

4 I spend a lot of money on clothes, but I'm not going to shop for them anymore. I'm going to put my money in the bank. My brother and I want to travel and see new places. We're planning to leave our jobs in September and travel around the world.

Researcher Excuse me, sir. Do you have time to answer a vacation survey?
Dan Uh, yes. OK.
R Thank you. And what is your name?
D My name's Dan.
R Hi, Dan. My first question is: Do you live here in Vermont, or are you on vacation?
D I live here, actually.
R When was your last vacation?
D Last winter. My wife and I went to Miami. Our children didn't want to come, so they stayed home.
R How did you get there?
D Well, my wife doesn't like flying, so we went by train. We also rented a car in Miami, so we didn't need to take taxis.
R How long was your vacation?
D Three weeks.
R Did you stay in a hotel?
D No, we didn't. One of our friends has a house near the beach, and we stayed there. It was our second time there.
R What did you do on your vacation?
D My wife and I took a Mexican cooking class. The teacher told us how to say the names of food in Spanish and even taught us a few Spanish phrases. It was fun.
R Why didn't you go to another country for your vacation?
D Because Miami has great weather! Vermont is cold and snowy in the winter, and Miami is warm. The sky is clear and blue, and we wear shorts —in January! You can't beat that.
R I agree! OK, one last question …

F Well, today after breakfast, I'm going to visit a movie studio and go shopping on Rodeo Drive.
B Wow! Rodeo Drive is expensive.
F I just want to look around. Maybe I'll see someone famous! What about you?
B It's not raining here, so I'm going to take the dog for a walk. Then I'm going to have dinner and read a book.
F What about Mom and Dad? Are they at home with you?
B Mom's here, but she's in the shower. She's going to meet some friends later and go to the movies. Dad went out a few minutes ago. He's going to play tennis with Uncle Mike.
F Oh, right.
B Anyway, tell me the rest of your plans.
F Well, tomorrow morning I'm going to go to the beach, and in the afternoon I have a ticket for a soccer game. But Thursday is the best day. I'm going to spend the day at Disneyland!
B Wow! That sounds fantastic.
F It is – the U.S. is great! After Los Angeles, I'm going to take a bus to Las Vegas, and after that, Dallas and New Orleans.
B Well, have a good time.
F Thanks, Bruno. Tell Mom and Dad I'll call them tomorrow.
B Will do! They'll be happy to hear from you. Bye!
F Bye!

Last New Year's Eve, I went to two parties. First, I went to my friend Katherine's house. It wasn't a big party, but it was very fun. I didn't stay late because Katherine and her husband have three small children. Next, I drove to a party in a different town. The weather was really bad. It was cold, windy, and very rainy. This party was big and exciting. There was a lot of good food and music. At 12:00 a.m., my friends and I went into the yard. We saw some fireworks. After that, I went home.

Hi Jaime,
Thanks for your email. I'm in Miami at the moment. I'm studying English at a small language school in downtown Miami. It's going OK, but it's pretty difficult for me to learn all the new words. The pronunciation is also difficult, but the classes are always fun because the teacher's very good. His name's Jeff, and he's from Ohio.

There are nine students in my class. We all come from different countries. We usually meet for coffee in the morning. It's a good time to practice English.

Goodbye for now.

Development of this publication has made use of the Cambridge English Corpus (CEC). The CEC is a computer database of contemporary spoken and written English, which currently stands at over one billion words. It includes British English, American English, and other varieties of English. It also includes the Cambridge Learner Corpus, developed in collaboration with the University of Cambridge ESOL Examinations. Cambridge University Press has built up the CEC to provide evidence about language use that helps us to produce better language teaching materials.

English Profile
This product is informed by English Vocabulary Profile, built as part of English Profile, a collaborative program designed to enhance the learning, teaching, and assessment of English worldwide. Its main funding partners are Cambridge University Press and Cambridge Assessment English and its aim is to create a "profile" for English, linked to the Common European Framework of Reference for Languages (CEFR). English Profile outcomes, such as the English Vocabulary Profile, will provide detailed information about the language that learners can be expected to demonstrate at each CEFR level, offering a clear benchmark for learners' proficiency.
